

## **Island Staffing has “record” quarter.**

**Oceanside, CA – April 30, 2010**

An Information Technology and Engineering staffing firm in Oceanside, **Island Staffing’s** first quarter performance was the best quarter in company history.

Island Staffing increased the number of people on assignment by 160%, compared to first quarter 2009. To sustain this record growth, Island Staffing bolstered its team with the addition of two new Business Developers.

“With an economy that’s been slow to rebound, we’re excited that businesses are starting to reinvest in it’s workforce and many of these organizations are looking to Island Staffing for qualified contractors”, says EJ Conrad, President and CEO of Island Staffing. “We’re optimistic about our strong growth trends and eagerly anticipate what spring and summer has in store.”

About Island Staffing:

**Island Staffing** is a Corporation that **Provides the Right Talent for the Job.** **Island Staffing** supplies superior technology professionals and IT outsourcing to organizations nationally by providing flexible staffing options including contract, contract-to-hire and direct hire placement. **Island Staffing** demonstrates the strategic value a recruiter brings beyond the candidates they attract, screen, and present through the partnerships they develop with both their clients and candidates.
