ASK A RECRUITER

When is a good time to ask my recruiter about the compensation package of the position I'm interested in?

~ Scarlett T, San Diego, CA

You should definitely ask before you submit your resume to the prospective client. And remember a compensation package isn't just about a starting salary but also includes: bonuses, health insurance and other perks (Half-day Fridays always sounded good to me, but someone else might care about child care, gym membership, stock options, or a car allowance).

Office Spring Cleaning

You know what they say, "A cluttered desk is a cluttered mind"! So with spring just around the corner, here are some office spring cleaning tips:

1. Keep, toss, or move. Find three containers, label one "Keep", one "Toss", and one "Move" (for things to be taken home) and go to town!
2. Start with the oldest pieces.
3. Evaluate each piece only once.
4. Be ruthless!
5. Be thorough!
6. Now that your office area is clean, set up a routine to keep it that way!
